

At Home Learning Activities

Website	Website Link	Subject Area	Details about the website
Weareteachers	https://www.weareteachers.com/things-to-do-during-covid/?utm_source=WAT_MDR&utm_medium=Enews&utm_campaign=WAT_CVEnews03182020	All subject areas	This website has a list of interactive activities that your child can choose to do. Most activities have an "do" activity that can be completed.
The Henry Ford museum	https://www.thehenryford.org/	Science and Social Studies	This website is great for reading about inventors and seeing innovation. There are some videos: you will need to search for Mo Rocca. He has a series about innovations and inventors at the Henry Ford Museum. You will have to navigate throughout this website to find things.
Scholastic: Learn at Home	https://classroommagazines.scholastic.com/support/learnathome.html	All subject areas	What a great resource Scholastic created. They give day by day activities that will enhance your child's learning.
Lunch Doodles with Mo Willems	https://www.kennedy-center.org/education/mo-willems/	Art	What a fun way to draw! There are activity pages you can download.
National Geographic Kids	https://kids.nationalgeographic.com/	Science and Social Studies	Nat Geo Kids makes it fun to explore your world with weird, wild, and wacky videos! You can also explore awesome animals, cool science, funny pets, and more.
Brains On!	https://www.brainson.org/	Science	<i>Brains On!</i> is an award-winning audio show for kids and families. Each week, a different kid co-host joins Molly Bloom to find answers to fascinating questions about the world.

Reading IQ	https://www.readingiq.com/web/learning/#/home	Reading	This website provides a variety of online books to help in both reading fluency and comprehension.
Virtual Field Trips	https://docs.google.com/document/d/1SvIdgTx9djKO6SjyvPDsoG1kgE3iExmi3qh2KRRku_w/mobilebasic?usp=gmail	All Subject Areas	Over 30 Virtual Field Trips with links
Duolingo	https://www.duolingo.com/learn	Spanish	Practice your spanish.
Camp Invention: At Home Learning	https://www.invent.org/at-home-learning-resources	Science and STEM activities	This website has many STEM activities you can try at home. Most activities require some supplies in order to complete the activity.
Oakwood Reads	https://oakwoodreaders.weebly.com/	Reading	Ms. Persenaire has created a read aloud of the book <i>A Boy Called Bat</i> by Elana Arnold. She will be reading the book to us, along with Guest Readers! :)
Oakwood Specials	https://www.youtube.com/channel/UCyfUTTJlD82agWVLWJzq8A	Specials	Look for activities from your favorite specials teacher. You can find Mrs. Jones music ideas, Mr. Kuyper's PE activities, and Mrs. Lypinski's Spanish read alouds.
Ms. Moynihans's Art Channel	https://www.youtube.com/channel/UCTZE73sDMj2k3SwBn6w9tYg	Art	Check out Ms. Moynihan's art activities!
John Ball Zoo - Zoo Insider	https://www.youtube.com/watch?v=ooyNXtH8lk4	Science	These are a series of YouTube videos that let you check in on the animals you may be missing. Click "Subscribe" to see the latest videos
